SKYAPP Self-Payment Kiosk with CashBox

SKYAPP's Cashbox offers retailers, Quick-Service-Restaurant, coffee-shop and food-stall owners a productive and efficient work process. Customers can self-order and self-pay at the touch-screen while the chefs focus on fulfilling the orders. Alternatively, orders can be keyed in by the owner chefs but customer self-pays at Cashbox. This improves food hygiene and relieves the chefs from the hassle of collecting and counting cash. Time is saved with no counting of cash monies and business cost is reduced with less reliance on part-time cashiers.

SKYAPP's Cashbox brings you the following benefits:

- Cost Effective & Cash Management
- Secure Key Lock Mechanism
- Ergonomic Design Built to High Reliability
- Single Note Insert and Payout
- Single Coin Insert and Multi-Coin Payout
- Recycling for up to 2 Notes and 4 Coins Denomination
- Easy & Fast Notes & Coins Top-up

Option 1	Option 2	Option 3
The option equipped to handle all your basic operational needs	An interactive option with a 15 inches screen to optimise the customer experience	The self-standing option with a 32 inches screen to facilitate your retail operations
